REALTOR®  
"A Matter of Trust"

April 23, 2014

To whom it may concern:

As a top producing Realtor in the central Florida area for over 20 years, reliable service contractors are critical to my success. I have been fortunate to have the pleasure of using Doug Volchko's considerable knowledge and experience with repairs and services over the years for several of my most valuable clients. Whether it was a service call, a property renovation or an upgrade, I knew I could depend on Doug to represent me well in regard to my clients. His response was always quick, polite and knowledgeable, along with the added bonus that he always saved my clients a considerable amount of money without ever sacrificing the integrity of a solution or repair. I heartily recommend Doug to any future employer or business in the field of Real Estate, Home Improvement, or any of its associated industries that wishes to exceed their client's expectations.

Sincerely,

Stefanie Wollam,
